**Program Director
Family Medicine Residency**

Marion Health Graduate Medical Education Department is seeking Program Director to build and grow a new family medicine residency program sponsored by Marion Health located in Marion, Indiana. The residency program aims to address the national physician shortage for rural locations. The goal is to develop family medicine academic leaders who will transform the American healthcare system.

Interested candidates must be board-certified in Family Medicine and have a vision for developing and expanding the new FM residency. Requirements include three years of educational or administrative experience. Previous Family Medicine Program Associate or Director experience preferred.

Exciting opportunity to lead our Residency program and enjoy quality of life while collaborating with a strong team and support staff to train our future family practitioners.

Opportunity Highlights

- Leadership opportunity - Be the Inaugural Family Medicine Residency Program Director
- Build a full-scope family medicine residency incorporating rural and population health
- Put your mark on the program - Be the architect of the inaugural program with the backing from Marion Health and Marian University School of Osteopathic Medicine
- Develop and expand the traditional core curriculum by incorporating virtual health and emerging technologies

Recruitment Package

- Competitive Salary
- Generous starting bonus
- Relocation allowance
- Annual commitment bonus
- CME Allowance
- Comprehensive Benefits Package Including 457(b) retirement plan; 403(b) program with employer match and 25 days' vacation in addition to the seven recognized holidays.

Marion Health is a not-for-profit health care system located in Grant County, Indiana.

- Two locations:
 - 106-bed acute care, independent, sole-community hospital
 - Marion Health East outpatient services, Urgent Care/ER and Outpatient Surgery Center.
- Named a 5-star Hospital by CMS.
- Strongly rooted in the Marion-Grant County Community
- Growing Healthcare System
- Conveniently located midway between Fort Wayne and Indianapolis, Indiana

- Home to two world-class universities, Indiana Wesleyan University and Taylor University as well as Ivy Tech Community College
- Midwest family-oriented county with excellent schools
- Local interests such as Community School of the Arts, CSA Marion Civic Theatre, museums, public and private golf courses, lots of local youth sports and activities.
- Three State run reservoirs nearby, walking trails and several annual festivals/events.

**Equal Opportunity and Affirmative Action Employer: Minority/Female/Veteran/Disability.
